Note: As of April 1st, 2022. Actual Extension is calculated by subtracting the length of overlapping zones (Overlapping Extension) and the extensions not yet opened from the total extension. Numbers are rounded up and the total may not match the sum of items. Route 229 includes the 0.4km section where the present and old roads overlap, and Route 276 includes the 9.2km section where the present road and the by-pass overlap.

About Upopoy (National Ainu Museum and Park)

Upopoy serves as a national center for the revival and development of Ainu culture, an invaluable culture in Japan that is at risk of extinction.

About the name "Upopoy": in Ainu language "Upopoy" means "to sing in a large group"
