

現地利用状況図

This map illustrates the local utilization status of a specific area, likely related to the North River (北条川) project. Key features include:

- Geographical Features:** The North River (北条川) flows through the center of the map.
- Roads:** Major roads shown include the North River Right Bank South Side Road (北条川右岸南側道路) and the North River Left Bank South Side Road (北条川左岸南側道路).
- Numbered Areas:** Three distinct areas are highlighted with numbers: Area 1 (yellow background), Area 2 (green background), and Area 3 (blue background).
- Facilities and Landmarks:** Various landmarks are labeled, such as '北条川右岸南側道路' (North River Right Bank South Side Road), '北条川左岸南側道路' (North River Left Bank South Side Road), and '北条川右岸南側道路' (North River Right Bank South Side Road).
- Topography:** Elevation contours and spot heights are indicated throughout the map.
- Infrastructure:** A yellow line highlights a specific path or boundary running diagonally across the lower right portion of the map.
